

Directions to Burlington, VT Community Build

The build location is at Rock Point School in Burlington. The Address is 1 Rock Point Rd which is off of institute road right after Burlington high school buildings. Rock Point School is the first building you get to when you turn onto the road. Folks should enter the building not at the main entrance but via a side door that goes into the Library wing of the building (red arrow on image below). This door will be propped and have a sign on it. If folks are driving they can park in the 2 lots further down the road (red circles).
